

Website Maintenance Plans

Continued maintenance of your WordPress website is not only essential for the proper functioning of the site, but is also the primary defense against hackers and malware that can target sites that are not consistently maintained.

I offer the following options for continued maintenance:

WEEKLY *(recommended for very active sites with constantly changing content)* **\$35**

- update plugins (as necessary)
- update WordPress (as necessary)
- update theme (as necessary)
- backup to secure server

Updates to plugins and themes may necessitate some layout reconfigurations due to changes in code. Changes taking longer than one half hour will be billed at the studio rate of \$75/hr.

Updates will be performed on the first day of the week.

MONTHLY *(recommended)* **\$35**

- update plugins (as necessary)
- update WordPress (as necessary)
- update theme (as necessary)
- backup to secure server

Updates to plugins and themes may necessitate some layout reconfigurations due to changes in code. Changes taking longer than one half hour will be billed at the studio rate of \$75/hr.

Updates will be performed on the first of the month.

QUARTERLY **\$50**

- update plugins (as necessary)
- update WordPress (as necessary)
- update theme (as necessary)
- backup to secure server

Updates to plugins and themes may necessitate some layout reconfigurations due to changes in code. Changes taking longer than one half hour will be billed at the studio rate of \$75/hr.

Updates will be performed on the first day of the quarter.
